Corporate Profile

July 30, 2014 Closing Bell: EnerSys Celebrates 10th Anniversary of Listing

EnerSys is the global leader in stored energy solutions for industrial applications. We complement our extensive line of motive power, reserve power, and specialty batteries with a full range of integrated services and systems. With sales and service locations throughout the world, and over 100 years of battery experience, EnerSys is the Power/Full Solution for stored DC power products.
