

EnerSys Announces David M. Shaffer to Present at CL King Investor Conference

September 7, 2016

READING, Pa., Sept. 7, 2016 /PRNewswire/ -- EnerSys (NYSE: ENS), the global leader in stored energy solutions for industrial applications, announced today that its President and Chief Executive Officer, David M. Shaffer, will be hosting a presentation and live webcast from the CL King Best Ideas Conference, on September 13, 2016, at the Omni Berkshire Place Hotel in New York City, from 10:15 am Eastern Time to 10:50 am Eastern Time.

A link to the live streaming of the webcast will be available on the "Investor Relations" page of the Company's web site at <http://www.enersys.com>.

About EnerSys: EnerSys, the global leader in stored energy solutions for industrial applications, manufactures and distributes reserve power and motive power batteries, battery chargers, power equipment, battery accessories and outdoor equipment enclosure solutions to customers worldwide. Motive power batteries and chargers are utilized in electric forklift trucks and other commercial electric powered vehicles. Reserve power batteries are used in the telecommunication and utility industries, uninterruptible power supplies, and numerous applications requiring stored energy solutions including medical, aerospace and defense systems. Outdoor equipment enclosure products are utilized in the telecommunication, cable, utility, transportation industries and by government and defense customers. The company also provides aftermarket and customer support services to its customers from over 100 countries through its sales and manufacturing locations around the world.
