

EnerSys Earns 2025 Military Friendly® Employer Designation

January 13, 2025

READING, Pa.--(BUSINESS WIRE)--Jan. 13, 2025-- [EnerSys](#) (NYSE: ENS), a global leader in stored energy solutions for industrial applications, announced today that it has earned the 2025 [Military Friendly®](#) Employer designation.

Institutions earning the Military Friendly® Employers designation were evaluated using both public data sources and responses from a proprietary survey. Over twelve hundred companies participated in the Military Friendly® survey.

Methodology, criteria, and weightings were determined by VIQTORY with input from the Military Friendly® Advisory Council of independent leaders in the military recruitment community. Final ratings were determined by combining an organization's survey score with an assessment of the organization's ability to meet thresholds for Recruitment, New Hire Retention, Employee Turnover, and Promotion & Advancement of veterans and military employees.

"At EnerSys, we deeply honor the dedication and sacrifices of our military veterans. Their unwavering commitment and exceptional leadership serve as a cornerstone of our nation's strength and resilience. These qualities not only safeguard our freedoms but also bring invaluable expertise to our workforce. We are profoundly grateful for their contributions, both in service to our country and in the innovative energy solutions we build together at EnerSys. Their skills and perspectives enrich our team and inspire us to achieve greater heights in powering the future." – Shawn O'Connell, President and COO of EnerSys.

"Organizations earning the Military Friendly® Employers designation have wholeheartedly invested in comprehensive and impactful initiatives that bring about positive, life-changing results for our valued service members, dedicated military spouses, and esteemed veterans within their ranks. We salute these exemplary employers who raise the bar and understand that hiring military personnel is not merely an act of goodwill but a testament to a standard that truly embodies sound business wisdom. Their commitment to integrating military personnel into their workforce not only reflects their compassion but also underscores their business acumen," - Kayla Lopez, Sr Director of Partnerships at Military Friendly®

EnerSys will be showcased in the 2025 Military Friendly® Employers in the Winter issue of *G.I. Jobs®* magazine and on [MilitaryFriendly.com](#).

About EnerSys

EnerSys is a global leader in stored energy solutions for industrial applications and designs, manufactures, and distributes energy systems solutions and motive power batteries, specialty batteries, battery chargers, power equipment, battery accessories and outdoor equipment enclosure solutions to customers worldwide. The company goes to market through four lines of business: Energy Systems, Motive Power, Specialty and New Ventures. Energy Systems, which combine power conversion, power distribution, energy storage, and enclosures, are used in the telecommunication, broadband and utility industries, uninterruptible power supplies, and numerous applications requiring stored energy solutions. Motive power batteries and chargers are utilized in electric forklift trucks and other industrial electric powered vehicles. Specialty batteries are used in aerospace and defense applications, portable power solutions for soldiers in the field, large over-the-road trucks, premium automotive, medical and security systems applications. New Ventures provides energy storage and management systems for various applications including demand charge reduction, utility back-up power, and dynamic fast charging for electric vehicles. EnerSys also provides aftermarket and customer support services to its customers in over 100 countries through its sales and manufacturing locations around the world.
