

EnerSys Reports Preliminary 4th Quarter Results & Announces Quarterly Conference Call

May 16, 2007

READING, Pa., May 16 /PRNewswire-FirstCall/ -- EnerSys (NYSE: ENS) the world's largest manufacturer, marketer and distributor of industrial batteries, announced today that for its 4th fiscal quarter of 2007, which ended on March 31, it expects to achieve diluted earnings per share of \$0.22. This compares to diluted net earnings per share of \$0.25 for the 4th fiscal quarter of 2006 and exceeds the previous guidance for the 4th fiscal quarter of 2007 of \$0.15 to \$0.19 per diluted share provided on February 7, 2007. Net sales for the 4th fiscal quarter of 2007 are expected to be approximately \$414 million, which represents a 17 percent increase compared to the comparable period in the prior year. The Company anticipates releasing final 4th quarter and full year results for fiscal year 2007 on June 13, 2007.

"I am pleased with our fourth quarter financial results considering the continuing high commodity costs," said John D. Craig, Chairman, President and Chief Executive Officer of EnerSys. "Our success in realizing increased pricing, our ongoing cost reduction initiatives and strong demand for our products and services are the three major factors that led to our fourth quarter earnings." Craig added, "We expect that these factors will continue to drive our results in the first quarter of fiscal 2008."

EnerSys also announced that it will host a conference call to discuss the Company's fourth quarter and full year results for fiscal 2007 and to provide an overview of the business. The call will conclude with a question and answer session.

The call, scheduled for Thursday, June 14, at 9:00 a.m. Eastern Time, will be hosted by John D. Craig, Chairman, President & Chief Executive Officer and Michael T. Phillion, Executive Vice President - Finance & Chief Financial Officer.

The call will also be Webcast on EnerSys' Web site. There will be a free download of a compatible media player on the company's Web site at <http://www.enersys.com>.
