ENERSYS ANNOUNCES PRICING OF \$300 MILLION AGGREGATE PRINCIPAL AMOUNT OF SENIOR NOTES

READING, Pa.,—January 4, 2024—EnerSys (NYSE: ENS) (“EnerSys” or the “Company”) announced today the pricing of \$300 million aggregate principal amount of its 6.625% senior notes due 2032 (the “Notes”) at an issue price of 100%. The Notes will be unsecured, unsubordinated obligations of the Company and will be guaranteed by each of the Company’s subsidiaries that guarantee the Company’s senior secured credit facilities and 4.375% senior notes due 2027. The offering is expected to close on January 11, 2024, subject to the satisfaction of customary closing conditions.

The Company intends to use the net proceeds from the offering to repay and retire a portion of its outstanding term loans. The Company intends to use the remaining net proceeds for general corporate purposes, including to repay a portion of the outstanding borrowings under its revolving credit facility (without a reduction in commitment). The exact allocation of such proceeds and the timing thereof is at the discretion of the Company’s management.

The Notes and the related guarantees have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any applicable state or foreign securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act and applicable state securities laws. The Notes were offered only to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act and outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
