### **Additional Information Regarding the Annual Meeting to be Held on August 5, 2021**

This proxy statement supplement (this “Supplement”), dated July 15, 2021, supplements the definitive proxy statement on Schedule 14A (the “Proxy Statement”) of EnerSys (the “Company”, “we”, “our”, or “us”), dated June 23, 2021 and furnished to stockholders in connection with the annual meeting of stockholders of the Company to be held virtually on Thursday, August 5, 2021 at 10:00 a.m. (Eastern Time) (the “Annual Meeting”). The close of business on June 10, 2021 (the “Record Date”) is the record date for determining stockholders who are entitled to notice of and to vote at the Annual Meeting. Except as specifically supplemented by the information contained in this Supplement, all information set forth in the Proxy Statement continues to apply and should be considered before making a voting decision.

### **THIS INFORMATION SHOULD BE READ IN CONJUNCTION WITH THE PROXY STATEMENT**

The purpose of this Supplement is to provide additional information to the Company’s shareholders on the ability to ask and submit questions before and during the Annual Meeting, along with an explanation of how to request technical support for access to the virtual meeting platform.

#### **Attendance at the Virtual Annual Meeting**

Stockholders of record at the close of business on June 10, 2021 may vote at the meeting, and any adjournments or postponements thereof. A list of stockholders will be available at the Annual Meeting.

To be admitted to the Annual Meeting, you must register for the meeting no later than 9:59 a.m. (Eastern Time) on August 5, 2021, the registration deadline. You can do so by entering the control number found on the proxy card or voting instruction form that accompanied your previously distributed proxy materials when requested by the Annual Meeting platform. Upon registering for the Annual Meeting, you will receive an email with additional information related to the virtual meeting, including your unique links that will allow you to access the meeting and to submit questions in advance of the meeting.

#### **Asking and or Submitting Questions During the Meeting**

Our virtual Annual Meeting will allow stockholders to submit questions before the meeting during the entirety of the registration period, and additionally again in real time and live during the Annual Meeting. During a designated question and answer period at the Annual Meeting, we will respond to appropriate questions submitted by stockholders.

We will answer as many stockholder-submitted questions as time permits, and any questions that we are unable to address during the Annual Meeting will be answered following the meeting, with the exception of any questions that are irrelevant to the purpose of the Annual Meeting or our business or that contain inappropriate or derogatory references that are not in good taste. If we receive substantially similar questions, we will group such questions together and provide a single response to avoid repetition.

## **Requesting Technical Support for the Virtual Meeting Platform**

We encourage you to access the Annual Meeting platform prior to the start time and allow ample time to log into the virtual Annual Meeting and test your computer system. If you have any questions, including with registration for attendance at the Annual Meeting, or need technical assistance, please call Mediant Communications Inc., which we refer to as “Mediant,” at (888) 464-5457. Mediant will have technicians ready to assist stockholders with any difficulties accessing the Annual Meeting. If you encounter any difficulties accessing or participating in the Annual Meeting following registration, please call the technical support number that will be listed in the Annual Meeting access email that pre-registered stockholders will receive approximately one hour prior to the start of the Annual Meeting.
