SECTION 1. *Registered Office.* The address of the registered office of EnerSys (the "Corporation") in the State of Delaware is Corporation Service Company, 2711 Centerville Road, Suite 400, in the City of Wilmington, County of New Castle. The name of the Corporation's registered agent at such address is Corporation Service Company.

SECTION 2. *Other Offices.* The Corporation may also have an office or offices at any other place or places within or without the State of Delaware.

ARTICLE II

MEETINGS OF STOCKHOLDERS

SECTION 1. *Annual Meetings.* The annual meeting of the stockholders for the election of directors, and for the transaction of such other business as may properly come before the meeting, shall be held at such place, either within or without the State of Delaware, on such date and at such hour as shall be fixed by resolution of the Board of Directors of the Corporation (the "Board") and designated in the notice or waiver of notice thereof.

SECTION 2. *Special Meetings.* A special meeting of the stockholders for any purpose or purposes may be called only by the Board or the Chairman of the Board of the Corporation, to be held at such place, within or without the State of Delaware, on such date and at such hour as shall be designated in the notice or waiver of notice thereof.

SECTION 3. *Notice of Meetings.* Written notice of all meetings of stockholders stating the place, date and time of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given in accordance with Article VIII. Unless otherwise required by applicable law, such notice shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder of record entitled to vote at such meeting.

SECTION 4. *Fixing Date for Determination of Stockholders of Record.* In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board may fix, in advance, a record date, which shall not precede the date upon which the resolution fixing the

Exhibit 3.1

record date is adopted by the Board and which shall not be more than 60, nor less than 10, days before the date of such meeting. If no record date is fixed by the Board, then the record date shall be as provided by applicable law. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

SECTION 5. *Organization.* Meetings of stockholders shall be presided over by such person as the Board may designate, or, in the absence of such a person, the Chairman of the Board. Such person shall be chairman of the meeting and shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of discussion as is determined by him to be in order. The Secretary of the Corporation shall act as secretary of the meeting, but in such person's absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

SECTION 6. *Adjournments.* When a meeting is adjourned to another date, hour or place, notice need not be given of the adjourned meeting if the date, hour and place thereof are announced at the meeting at which the adjournment is taken. If the adjournment is for more than 30 calendar days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting. At the adjourned meeting, any business may be transacted that might have been transacted at the original meeting.

When any meeting is convened the presiding officer, if directed by the Board, may adjourn the meeting if (a) no quorum is present for the transaction of business, or (b) the Board determines that adjournment is necessary or appropriate to enable the stockholders (i) to consider fully information that the Board determines has not been made sufficiently or timely available to stockholders or (ii) otherwise to exercise effectively their voting rights.

SECTION 7. *Quorum.* Except as otherwise provided by law or the Certificate of Incorporation, whenever a class of stock of the Corporation is entitled to vote as a separate class, or whenever classes of stock of the Corporation are entitled to vote together as a single class, on any matter brought before any meeting of the stockholders, whether annual or special, holders of shares entitled to cast a majority of the votes entitled to be cast by all the holders of the shares of stock of such class voting as a separate class, or classes voting together as a single class, as the case may be, outstanding and entitled to vote thereat, present in person or by proxy, shall constitute a quorum at any such meeting of the stockholders. If, however, such quorum shall not be present or represented at any such meeting of the stockholders, the stockholders entitled to vote thereat may adjourn the meeting from time to time in accordance with Section 6 of this Article II until a quorum shall be present or represented. Shares of the Corporation's stock belonging to the Corporation (or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation are held, directly or indirectly, by the Corporation), shall neither be entitled to vote nor be counted for quorum purposes; *provided*, *however*, that the foregoing shall not limit the right of the Corporation or any other corporation to vote any shares of the Corporation's stock held by it in a fiduciary capacity.

SECTION 8. *Voting.* Except as provided in Section 4 of Article III, directors shall be elected by a plurality of the votes of the shares present in person or by proxy at a meeting and

entitled to vote on the election of directors. Except as otherwise provided by law or the Certificate of Incorporation or these Bylaws, when a quorum is present with respect to any matter brought before any meeting of the stockholders, the vote of the holders of shares entitled to cast a majority of the votes entitled to be cast by all the holders of shares present in person or by proxy and entitled to vote on such matter shall decide any such matter (other than the election of directors). Except as otherwise provided by law or the Certificate of Incorporation or these Bylaws, each stockholder represented at a meeting of stockholders shall be entitled to cast one vote for each share of the capital stock entitled to vote thereat held by such stockholder.

SECTION 9. *Proxies.* Each stockholder entitled to vote at a meeting of stockholders may authorize another Person or Persons to act for such stockholder by proxy. Such proxy shall be filed with the Secretary before such meeting of stockholders, at such time as the Board may require. No proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

SECTION 10. *Notice of Stockholder Business; Nominations.*

(a) *Annual Meeting of Stockholders.*

(i) Nominations of persons for election to the Board at an annual meeting and the proposal of any other business to be considered by the stockholders at an annual meeting shall be made solely (A) as specified in the Corporation's notice of such meeting (or any supplement thereto), (B) otherwise by or at the direction of the Board (or any duly authorized committee thereof), or (C) by any stockholder of the Corporation that was a stockholder of record at the time of giving the notice provided for in this Section 10, who is entitled to vote at such meeting and who complies with the notice procedures set forth in this Section 10.

(ii) For nominations for director or any other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of subparagraph (a)(i) of this Section 10, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation, and such proposed business, other than nominations of persons for election to the Board, must constitute a proper matter for stockholder action. To be timely, a stockholder's notice must be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth day, nor earlier than the close of business on the one hundred twentieth day, prior to the anniversary of the next preceding annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or after such anniversary date, to be timely notice by the stockholder must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall an adjournment or postponement of a meeting, or the public announcement thereof, commence a new time period (or extend any time period) of the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (A) as to each person whom the stockholder proposes to nominate for election, or re-election, as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of

the business desired to be brought before the meeting and the reasons for conducting such business at such meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such stockholder, as they appear on the Corporation's books and records, and of such beneficial owner, (2) the class or series and number of shares of capital stock of the Corporation that are, directly or indirectly, owned beneficially and held of record by such stockholder and such beneficial owner, (3) any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Corporation or with a value derived in whole or in part from the value of any class or series of shares of the Corporation, whether or not such instrument or right shall be subject to settlement in the underlying class or series of capital stock of the Corporation or otherwise (a "Derivative Instrument") directly or indirectly owned beneficially by such stockholder or beneficial owner and any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Corporation, (4) any proxy, contract, arrangement, understanding, or relationship pursuant to which such stockholder or beneficial owner has a right to vote any shares of any security of the Corporation, (5) any short interest of such stockholder or beneficial owner in any security of the Corporation (for purposes of this Bylaw a person shall be deemed to have a short interest in a security if such person directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has the opportunity to profit or share in any profit derived from any decrease in the value of the subject security), (6) any rights to dividends on the shares of the Corporation owned beneficially by such stockholder or beneficial owner that are separated or separable from the underlying shares of the Corporation, (7) any proportionate interest in shares of the Corporation or Derivative Instruments held, directly or indirectly, by a general or limited partnership in which such stockholder or beneficial owner is a general partner or, directly or indirectly, beneficially owns an interest in a general partner, (8) any performance-related fees (other than an asset-based fee) that such stockholder or beneficial owner is entitled to based on any increase or decrease in the value of shares of the Corporation or Derivative Instruments, if any, as of the date of such notice, including without limitation any such interests held by members of such stockholder's or beneficial owner's immediate family sharing the same household (which information shall be supplemented by such stockholder and beneficial owner not later than 10 days after the record date for the meeting to disclose such ownership as of the record date), (9) any other information relating to such stockholder and beneficial owner that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder, (10) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, (11) a description of all agreements, arrangements or understandings between such stockholder and beneficial owner, if any, and any other Person or Persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business, and (12) a

representation whether the stockholder or the beneficial owner, if any, intends, or is, or intends to be part of a group that intends (x) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (y) otherwise to solicit proxies from stockholders in support of such proposal or nomination. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(iii) Anything in the second sentence of subparagraph (a)(ii) of this Section 10 to the contrary notwithstanding, in the event that the number of directors to be elected to the Board is increased and there is no public announcement by the Corporation naming all the nominees for director or specifying the size of the increased Board at least 100 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 10 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary of the Corporation at the principal executive office of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of such meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of such meeting solely (i) by or at the direction of the Board of Directors or (ii) provided that the Board has determined that directors shall be elected at such meeting, by any stockholder of the Corporation that was a stockholder of record at the time of giving the notice provided for in this Section 10, who shall be entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 10. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be), for election to such positions as specified in the Corporation's notice of meeting, if the stockholder's notice required by subparagraph (a)(ii) of this Section 10 shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not earlier than the one hundred twentieth day prior to such special meeting and not later than the close of business on the later of the ninetieth day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) of the giving of a stockholder's notice as described above.

(c) *General.*

(i) Only such persons who are nominated in accordance with the procedures set forth in this Section 10 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 10. Except as otherwise provided by law or these Bylaws, the chairman of the meeting shall have the power and duty to finally determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as

the case may be, in accordance with the procedures set forth in this Section 10 and, if any proposed nomination or business is not in compliance herewith, to declare that such defective proposal or nomination shall be disregarded.

(ii) For purposes of this Section 10, the term “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act, and the meaning of the term “group” shall be within the meaning ascribed to such term under Section 13(d)(3) of the Exchange Act.

(iii) Notwithstanding the foregoing provisions of this Section 10, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 10. Nothing in this Section 10 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act.

ARTICLE III

BOARD OF DIRECTORS

SECTION 1. *General Powers.* The business and affairs of the Corporation shall be managed by the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by law or by the Certificate of Incorporation directed or required to be exercised or done by the stockholders. No decrease in the authorized number of directors constituting the Board shall shorten the term of any incumbent director.

SECTION 2. *Number and Term of Office.* Subject to the rights, if any, of holders of preferred stock of the Corporation, the Board shall consist of not less than three nor more than eleven members, the exact number of which shall be fixed from time to time by the Board. The Board shall designate the directors to serve as initial Class I, Class II and Class III directors upon the effectiveness of the related provisions of the Fifth Restated Certificate of Incorporation. None of the directors need be stockholders of the Corporation. Except as provided in Section 3 of this Article, each director shall be elected by the vote of the majority of the votes cast with respect to the director at any meeting for the election of directors at which a quorum is present, provided that if, as of a date that is fourteen (14) days in advance of the date the Corporation files its definitive proxy statement (regardless of whether or not thereafter revised or supplemented) with the Securities and Exchange Commission, the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. For purposes of this section, a majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast against that director. The Corporate Governance and Nominating Committee will establish procedures under which a director nominee shall tender his or her contingent resignation to the Nominating and Corporate Governance Committee in advance of an Annual Meeting. If the Director Nominee fails to receive a majority number of votes for re-election in an uncontested election at an Annual Meeting, the Nominating and Corporate Governance Committee will make a recommendation to the Board whether to accept or reject the resignation or whether other action shall be taken. The

Board will act on the Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The resignation becomes effective only if the director fails to receive a majority number of votes for re-election in an uncontested election at an Annual Meeting and the Board accepts the resignation.

SECTION 3. *Resignation; Vacancies; Removal.* Any director may resign at any time by giving written notice to the Board, the Chairman of the Board or the Secretary of the Corporation. Such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt by the Corporation thereof; and, unless otherwise specified therein, acceptance of such resignation shall not be necessary to make it effective.

Vacancies occurring in the Board for any reason and newly created directorships may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Any director elected to fill a vacancy shall hold office for a term that shall coincide with the term of the class to which such director shall have been elected.

Any director may be removed as provided in the DGCL or the Certificate of Incorporation.

SECTION 4. *Meetings.* (a) *Annual Meetings.* As soon as practicable after each annual election of directors, the Board shall meet for the purpose of organization and the transaction of other business, unless it shall have transacted all such business by written consent pursuant to Section 5 of this Article III.

(b) *Other Meetings.* Other meetings of the Board shall be held at such times as the Board or the Chairman of the Board, or in the event that the office of the Chairman of the Board is vacant, the Chief Executive Officer shall from time to time determine.

(c) *Notice of Meetings.* The Secretary shall give notice to each director of each special meeting at least one business day prior thereto, which notice shall state the time, place and purpose of such meeting. Notice of each such meeting shall be given to each director prior to such meeting.

(d) *Place of Meetings.* The Board may hold its meetings at such place or places, within or without the State of Delaware, as the Board or the Chairman of the Board or, in the event that the office of the Chairman of the Board is vacant, the Chief Executive Officer may from time to time determine, or as shall be designated in the respective notices or waivers of notice thereof.

(e) *Quorum and Manner of Acting.* A majority of the total number of directors (but not less than one) shall constitute a quorum for the transaction of business at any meeting of the Board, and the vote of a majority of those directors present at any such meeting at which a quorum is present shall be necessary for the passage of any resolution or act of the Board, except as otherwise expressly required by law or these Bylaws. In the absence of a quorum for any such meeting, a majority of the directors present thereat may adjourn such meeting from time to time until a quorum shall be present.

(f) *Organization.* At each meeting of the Board, one of the following shall act as chairman of the meeting and preside, in the following order of precedence:

- (i) the Chairman of the Board;
- (ii) the Lead Director of the Board;
- (iii) the Chief Executive Officer; or
- (iv) any director chosen by a majority of the directors present.

The Secretary or, in the case of his absence, any person (who shall be an Assistant Secretary, if an Assistant Secretary is present) whom the chairman shall appoint shall act as secretary of such meeting and keep the minutes thereof.

SECTION 5. *Directors' Consent in Lieu of Meeting.* Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting if all members of the Board or such committee, as the case may be, consent thereto in writing, and the writing or writings (including a true and correct copy of all documents referred to therein) are filed with the minutes of the proceedings of the Board or committee.

SECTION 6. *Action by Means of Telephone or Similar Communications Equipment.* Any one or more members of the Board, or of any committee thereof, may participate in a meeting of the Board or any such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

SECTION 7. *Committees.* The Board may, by resolution passed by a majority of the Board, designate one or more committees, each committee to consist of one or more directors of the Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. In the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any absent or disqualified member. Any committee, to the extent allowed by law and provided in the resolution establishing such committee or such other resolution as shall have been adopted by the Board, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation. Each committee shall keep regular minutes and report to the Board when required.

SECTION 8. *Compensation of Directors.* Directors, as such, may receive, pursuant to a resolution of the Board, fees and other compensation for their services as directors, including, without limitation, their services as members of committees of the Board.

SECTION 9. *Reliance Upon Books and Records.* A member of the Board, or a member of any committee designated by the Board shall, in the performance of such person's duties, be fully protected in relying in good faith upon records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of the

Corporation's officers or employees, or committees of the Board, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

SECTION 10. *Lead Director of the Board.* In its sole discretion based on current circumstances, the Board shall annually designate one of its non-employee members to be the Lead Director of the Board, with such duties and responsibilities as the Board or the Chairman of the Board may prescribe. In the absence or disability of the Chairman of the Board, except as otherwise set forth herein, the Lead Director shall perform and exercise the powers of the Chairman of the Board.

ARTICLE IV

OFFICERS

SECTION 1. *Executive Officers.* The executive officers of the Corporation shall be a Chief Executive Officer, a Chief Operating Officer, a Chief Financial Officer, a Treasurer and a Secretary and may include a Chairman of the Board (who shall be a director), one or more Vice Presidents, one or more Assistant Secretaries and one or more Assistant Treasurers. Any two or more offices may be held by the same person.

SECTION 2. *Authority and Duties.* All officers, as between themselves and the Corporation, shall have such authority and perform such duties in the management of the Corporation as may be provided in these Bylaws or, to the extent not so provided, by resolution of the Board.

SECTION 3. *Term of Office, Resignation and Removal.* (a) All officers shall be elected or appointed by the Board and shall hold office for such term as may be determined by the Board. Each officer shall hold office until his successor has been elected or appointed and qualified or his earlier death or resignation or removal in the manner hereinafter provided. The Board may require any officer to give security for the faithful performance of his duties.

(b) Any officer may resign at any time by giving written notice to the Board or to the Chairman of the Board or the Secretary of the Corporation, and such resignation shall take effect at the time specified therein or, if the time when it shall become effective is not specified therein, at the time it is accepted by action of the Board. Except as aforesaid, acceptance of such resignation shall not be necessary to make it effective.

(c) All officers shall be subject to removal, with or without cause, at any time by the Board. The Board may, from time to time, delegate the powers and duties of any officer to any other officer or agent of the Corporation.

SECTION 4. *Vacancies.* Any vacancy occurring in any office of the Corporation, for any reason, shall be filled by action of the Board. Any officer appointed or elected by the Board to fill any vacancy shall serve only until such time as the unexpired term of his predecessor expires unless reelected or reappointed by the Board.

SECTION 5. *Chairman of the Board.* The Board may elect a director as Chairman of the Board. The Chairman of the Board shall have the power to call special meetings of the stockholders and to call special meetings of the Board, shall determine the agenda for Board meetings and shall preside at all meetings of the stockholders and all meetings of the Board. The Chairman of the Board shall have such other powers and duties as he or she may be called upon by the Board to perform.

ARTICLE V

INDEMNIFICATION

SECTION 1. *Indemnification.* (a) The Corporation shall, to the fullest extent permitted by the DGCL, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonable incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Corporation shall, to the fullest extent permitted by the DGCL, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses

(including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation, unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(c) The Corporation may (and shall, with respect to any director, officer or employee who is a beneficiary of any directors and officers insurance or indemnity policy maintained from time to time by the Corporation or any of its subsidiaries), to the fullest extent permitted by the DGCL, advance to any person who is or was a director, officer, employee or agent of the Corporation (or to the legal representative thereof) any and all expenses (including, without limitation, attorneys' fees and disbursements and court costs) reasonably incurred by such person in respect of any proceeding to which such person (or a person of whom such person is a legal representative) is made a party or threatened to be made a party by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation or, while a director, officer, employee or agent of the Corporation, is or was serving at the request of the Corporation as a director, officer, trustee, partner, member, employee, other fiduciary or agent of another corporation or a partnership, joint venture, limited liability company, trust or other enterprise, including service with respect to employee benefit plans or public service or charitable organizations; *provided, however*, that, to the extent the DGCL requires, the payment of such expenses in advance of the final disposition of the proceeding shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such person, to repay all amounts so advanced if it shall ultimately be determined that such person is not entitled to be indemnified against such expense under this Article V or otherwise. The Corporation by provision in these Bylaws or by agreement may accord any such person the right to, or regulate the manner of providing to any such person, such advancement of expenses to the fullest extent permitted by the DGCL.

(d) The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this Article V shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Certificate of Incorporation, any other bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

(e) The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of the DGCL.

(f) For purposes of this Article V, references to "the Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents so that any person who is or was a director, officer, employee or agent of such constituent corporation or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article V with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(h) The indemnification and advancement of expenses provided by, or granted pursuant to, this Article V shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Message from the CEO

Q2 was a mixed quarter, with exceptionally strong demand and prolonged supply chain headwinds. Demand continued to accelerate across all of our lines of businesses, far exceeding pre-COVID levels. Revenue in the quarter was up 12% over last year with the full potential suppressed by lingering supply chain disruptions. Our backlog at quarter-end exceeded \$1 billion for the first time in the company's history, nearly double historic levels. We have made substantial progress on our strategic and business development initiatives including 5G powering, transportation and defense market share, and next generation Motive Power products which collectively account for the majority of our backlog growth. We also welcome our core businesses such as Motive Power and Broadband returning to normalized order rates. As a result, our demand runway remains very strong and we expect this strength to continue throughout the remainder of the year and calendar 2022. Our pricing initiatives are beginning to take hold, especially in Energy Systems. However, our earnings potential was suppressed in Q2 by the disrupted supply of higher margin product components and continuing inflation out-pacing the timing of pricing realization. We anticipate seeing limited benefits from these pricing actions again in the third quarter, with the full benefit materializing when costs stabilize and we work through open orders, which could be as early as the fourth quarter. We continue to stay focused on execution in this unpredictable environment and remain confident in our underlying demand. We expect our adjusted diluted earnings per share to be between \$0.96 and \$1.06 in our third fiscal quarter.

David M. Shaffer, President and Chief Executive Officer, EnerSys

Net earnings attributable to EnerSys stockholders (“Net earnings”) for the second quarter of fiscal 2022 was \$35.6 million, or \$0.82 per diluted share, which included an unfavorable highlighted net of tax impact of \$7.9 million, or \$0.19 per diluted share, from highlighted items described in further detail in the tables shown below, reconciling non-GAAP adjusted financial measures to reported amounts.

Net earnings for the second quarter of fiscal 2021 was \$35.7 million, or \$0.83 per diluted share, which included an unfavorable highlighted net of tax impact of \$7.5 million, or \$0.17 per diluted share from highlighted items described in further detail in the tables shown below, reconciling non-GAAP adjusted financial measures to reported amounts.

The increase compared to prior year quarter was the result of an 11% increase in organic volume resulting primarily from strong demand arising from robust markets and the easing of the pandemic and a 1% increase in pricing. Reconciliation of Non-GAAP Financial Measures

This press release contains financial information determined by methods other than in accordance with U.S. Generally Accepted Accounting Principles, ("GAAP"). EnerSys' management uses the non-GAAP measures "adjusted Net earnings" and "adjusted operating earnings" as applicable, in their analysis of the Company's performance. This measure, as used by EnerSys in past quarters and years, adjusts operating earnings and Net earnings determined in accordance with GAAP to reflect changes in financial results associated with the Company's restructuring initiatives and other highlighted charges and income items. Management believes the presentation of these financial measures reflecting these non-GAAP adjustments provides important supplemental information in evaluating the operating results of the Company as distinct from results that include items that are not indicative of ongoing operating results and overall business performance; in particular, those charges that the Company incurs as a result of restructuring activities, impairment of goodwill and indefinite-lived intangibles and other assets, acquisition activities and those charges and credits that are not directly related to operating unit performance, such as significant legal proceedings, amortization of Alpha and NorthStar related intangible assets and tax valuation allowance changes, including those related to the AHV Financing in Switzerland. Because these charges are not incurred as a result of ongoing operations, or are incurred as a result of a potential or previous acquisition, they are not as helpful a measure of the performance of our underlying business, particularly in light of their unpredictable nature and are difficult to forecast. Although we exclude the amortization of purchased intangibles from these non-GAAP measures, management believes that it is important for investors to understand that such intangible assets were recorded as part of purchase accounting and contribute to revenue generation.

Income tax effects of non-GAAP adjustments are calculated using the applicable statutory tax rate for the jurisdictions in which the charges (benefits) are incurred, while taking into consideration any valuation allowances. For those items which are non-taxable, the tax expense (benefit) is calculated at 0%.

These non-GAAP disclosures have limitations as an analytical tool, should not be viewed as a substitute for operating earnings or Net earnings determined in accordance with GAAP, and should not be considered in isolation or as a substitute for analysis of the Company's results as reported under GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. Management believes that this non-GAAP supplemental information will be helpful in understanding the Company's ongoing operating results. This supplemental presentation should not be construed as an inference that the Company's future results will be unaffected by similar adjustments to Net earnings determined in accordance with GAAP.

A reconciliation of non-GAAP adjusted operating earnings is set forth in the table above, providing a reconciliation of non-GAAP adjusted operating earnings to the Company's reported operating results for its business segments. Included below is a reconciliation of non-GAAP adjusted Net earnings to reported amounts. Non-GAAP adjusted operating earnings and Net earnings are calculated excluding restructuring and other highlighted charges and credits.
