

2<sup>nd</sup> Quarter Earnings Conference Call

November 12, 2020

#### David M. Shaffer

Director, President and Chief Executive Officer

#### Michael J. Schmidtlein

Executive Vice President and Chief Financial Officer

#### Forward-Looking Information

As a reminder, we will be presenting certain forward-looking statements on this call that are based on Management's current expectations and views regarding future events and operating performance and are subject to uncertainties and changes in circumstances. Our actual results may differ materially from the forward-looking statements for a number of reasons. Our forward-looking statements are applicable only as of the date of this presentation. For a list of the factors which could affect our future results, including our earnings estimates, see forward-looking statements included in "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations," set forth in our Quarterly Report on Form 10-Q for the fiscal quarter ended October 4, 2020, which was filed with the U.S. Securities and Exchange Commission.

In addition, we will also be presenting certain non-GAAP financial measures. For an explanation of the differences between the comparable GAAP financial information and the non-GAAP information, please see our company's Form 8-K which includes our press release dated November 11, 2020, which is located on our web site at www.enersys.com.

### **EnerSys Energy Systems** FY20 Rev \$1.4B Telecom **Broadband UPS Industrial Energy Storage** November 12, 2020

# Energy Systems Line of Business

Broad portfolio of DC power products for 5G networks including small cell sites

Turnkey DC power EF&I capabilities appealing during rapid network construction phases

Near term opportunities in North America with significant RoW growth upside

# **EnerSys Motive Power** FY20 Rev \$1.3B **Material Handling**

# Motive Power Line of Business

MP customers want less downtime and maintenance with their equipment

Our new dual chemistry
NexSys batteries provide a
modern, maintenance free
experience

NexSys TPPL has continued to accelerate during the pandemic. NexSys lithium in customer acceptance phase

# **EnerSys Specialty** FY20 Rev. \$400M Aerospace & Defense Medical Transportation

# Specialty Line of Business

Class 8 OEM battery business returning to pre-pandemic levels

Aftermarket automotive battery market is very strong for us including AutoZone

Thermal batteries in high demand for defense applications

### Investor Day Messages

Core engineering and supply chain competencies in energy storage and energy conversion applied to diversified industrial markets and geographies

Global sales, service and brand awareness

Experienced Management team with deep market understanding and a clear strategy for higher organic earnings growth

Operational Excellence initiatives to drive higher fixed factory cost utilization and productivity

Strong balance sheet discipline with demonstrated positive cash flow generation even in recessionary periods

November 12, 2020 EnerSys 2020. All Rights Reserved

### **Takeaways**

Plan attainment is delayed 3-4 quarters

Key assumptions remain intact

EnerSys remains well positioned

November 12, 2020
